

HOTEL BIKE PROGRAM

Premium bikes for your guests

Offer your guests premium bikes directly at your hotel. 2wheels Rental manages the bikes, maintenance and logistics — you simply provide a better experience and generate additional revenue.

ABOUT US

2wheels Rental was founded in Lugano with a simple idea: outdoor experiences should be well designed, safe and meaningful. What started as a premium bike rental service evolved into guided tours, corporate programs and tailor-made outdoor experiences across Ticino.

We work with travelers, locals and companies who value quality, nature and human connection.

Partnership Models

Seasonal Program

- April – October (7 months)
- CHF 330 per bike / month
- Ideal for peak cycling season
- Flexible commitment for hotels starting their bike offering

Annual Program

- 12-month partnership
- CHF 240 per bike / month
- Lower monthly cost
- Strong positioning as a bike-friendly hotel

HOTEL BENEFITS

The Hotel Bike Program allows your property to offer premium outdoor experiences without operational complexity.

There is no upfront investment and no need for internal management. 2wheels Rental provides the bikes, handles maintenance, and ensures everything is ready for your guests.

The program also creates a clear revenue opportunity. With an average rental price of around CHF 50 per day, even limited usage can quickly cover the monthly cost.

All-Inclusive Service

- Premium E-Bikes / MTB / Road
- Helmets, locks & lights
- Monthly maintenance & safety checks
- On-demand technical support
- Fleet management by 2wheels Rental
- Zero upfront investment for the hotel

Optional on Request

- Guided bike tours
- MTB school & summer camps
- Bike shuttle service
- Hiking & via ferrata experiences
