

THE OUTDOOR WAY TO EMPOWER TEAMS

FOR YOUR TEAM

Ticino, switzerland

2wheels Rental

2WHEELS RENTAL

2wheels Rental, based in Lugano, is dedicated to promoting active lifestyles and sustainable mobility through premium bike and e-bike rentals, guided tours, and outdoor adventures across Ticino. With a strong passion for cycling and nature, we design experiences that allow people to discover the region's landscapes in an engaging and accessible way.

For companies, we offer tailor-made B2B solutions that go beyond outdoor activities. **From team building rides and treasure hunts to leadership workshops**, our programs are designed to strengthen teamwork, improve communication, and inspire high-performance cultures in unique natural settings.

The only leadership journey that combines real outdoor challenges with collaborative workshops — beyond the typical consulting approach.

SERVICES

We design corporate experiences across three dimensions:

Rides, with guided bike and e-bike tours that combine adventure and collaboration;

Challenges, with outdoor challenges that build trust, resilience, and decision-making skills;

Workshops, where facilitated sessions connect the lessons learned in nature with concrete business outcomes. Together, these experiences create a powerful blend of physical activity, personal growth, and team development.

SERVICES

RIDES

- **Guided bike & e-bike tours** tailored to group size and fitness levels.
- **Scenic routes across Ticino:** lakeside, mountains, and hidden trails.
- **Checkpoints and on-the-go challenges** to foster collaboration.
